About Us

Known for the purpose of wholesaler, supplying, distributing, trading, retailing and importing a wide range of the premium quality of Valves and Fittings, **Coimbatore Tube Company** was established in the year **1999**. Our effective product range consists of Pressure Gauge, Gas Valves and Weather Proof Pressure Gauges etc. To ensure high standards of quality, the offered Valves and Fittings are procured from reliable and authorized vendors of the industry. To meet the precise needs of our customers, we offer these valves and fittings in various sizes and designs. Their rich features such as dimensional accuracy, high strength, thermal stability and longer serving life, makes these valves and fittings highly appreciated among our customers. The product range is marketed under the brand names such as **Leader Valves, WJ Valves, UTTAM, JINDAL M.S Pipes, VS-Forged Fittings, Micro Industrial Pressure Gauges**.

For the purpose of meeting the precise needs of our customers, we made long lasting association with some of the trusted and reliable vendors of the industry. With profound experience and knowledge of this domain, our vendors hold expertise in their area of work and are known for their financial stability. Excellent transportation facility of our vendors has helped us in delivering the offered valves and fittings at the customers' end. We have been able to meet the bulk demands of valves and fittings, owing to the large production capacity of...
